

THE CRYSTAL LAIR

A parallel universe, a crystal cave, a talking mastodon, and one tough granny. The World Jumper has misfired and inventor-in-training Angus Clark finds himself in a primitive, snowy village with no running water, no electricity, and enormous animals that haven't roamed the earth for thousands of years. Together with the fearless Ivy Calloway, Angus must battle a prehistoric monster, rescue his little sister, and live in a tiny cottage full of...

Reader's Opinions

My daughter and I have been captivated by this series for years. I'm forced to remove a copy from her floor literally every time I vacuum. Carnage In the Kitchen is my favorite chapter. I mean, who wouldn't guffaw at a prehistoric boy who finds himself in an alternate universe, our modern day world, having lovingly killed squirrels...

Angus, I'd follow you anywhere. Readers, this time he takes us into the Ice Age and you are in for a fun romp, again! You won't get any spoilers from me, but Angus as...
