## Peek Inside the Book

In meeting Betty Jo he had learned that there was a large substratum of society that was totally unaffected by this middle-class prototype, that a huge and indifferent mass of persons had virtually no ambitions and no values whatever....

little and ran away if a girl tried to touch him. Or maybe he was queeranybody who sat around reading all the time and looked like he did But he didnt talk like a queer. Walter Tevis, The Man Who Fell to Earth //

## Reader's Opinions

The problem with this book is that author must have thought that the only way to make a person seem deep is to make them an alcoholic--alcoholism defines all three main characters in the book. It's like an actor who finally wins an academy award after...

I had nearly forgotten why people start reading in the first place: the joy of an honest story. I'm so used to the writer as the essential protagonist, the writing as his conflict, and whether or not I want to throw away his book as his comedic or tragic end. But this just unfolds cleanly, without seeming consciously written at all....
