

THE MADDEST IDEA

Late summer, 1775, General George Washington discovers that his cache of gunpowder has dwindled to a mere nine shots per man. Desperate, he adopts the plan designed by a group of Rhode Island patriots - send a ship to Bermuda to capture British powder known to be there - as well as their recommendation for the man to lead to the mission: Captain Isaac Biddlecomb. But the plan is a trap, set by a traitor among the...

Reader's Opinions

Second book in the trilogy. Not as much fun as the first book. A sea-faring novel about the Revolutionary War with extremely accurate and authentic nautical renderings.

I love James L. Nelson's books. I've been a big fan of "sea stories" like Horatio Hornblower and the Aubrey/Maturin series for some time. However, Nelson's writing is much easier to read and I would think more gratifying for the modern audience. His Revolution at Sea series is also from the American...
