Reader's Opinions

So, slightly improved over the first six issues I'm still not crazy about the series so far. Wrapping up the origin story of the New 52 Firestorm, issues 7 through 12 bring the threat of the world wide rogue Firestorm...

How many Firestorms do we freaking need? There's at least 20 or 30 in the book and they completely water down the uniqueness of the character to the point I couldn't care less what happened to...
