

# CLAY

The city is a strange place for Jozef. After living in a Polish village for much of his life, he is struggling to adjust to the tall, grey landscape of apartment living, and his job in a local deli serving french fries and fried chicken to brash, self-assured children makes him feel even more disconnected from the surrounding population. It is only when he encounters TC, a troubled boy running away from school, that Jozef...

## Reader's Opinions

I don't really know how I feel about this book. The beauty of the environment was an interesting counterpoint to the pain of the individual people. But their pain was not elaborated on to any great degree, so you never really got pulverised by it, as you can...

A lovely first read of 2016. This lyrical novel tells the story of a disparate yet inter-connected group of people. Their stories unfold alongside a beautiful, meticulously observed description of the passing seasons. It didn't surprise me to learn that Harrison has a non-fiction book out later this year. By turns poignant...
