

# BEEM EXPLORES AFRICA

Beem is a young Nigerian girl who goes on a journey to explore the beauty and diversity of Africa. She meets people and animals, marvels at natural wonders, and visits historical sites all over the African continent. The book introduces children to the physical and human geography of Africa in an enjoyable, easy-to-grasp and beautifully illustrated way. It nurtures a love for nature and tolerance of inter-cultural differences. Follow Beem on an exciting adventure to learn about the wonders of the continent. Beem Explores Africa...

## Reader's Opinions

Beem Explores Africa will be a great book to add to my cultural literature unit. The story is about a young girl and her journey throughout Africa. The book does a great job exploring the the different physical features of Africa through very vivid and beautiful illustrations. I can imagine presenting this story to my students and having...

This delightful little book is a great introduction to Africa for kids, it's people, sights, geography, etc, are simply described and accompanied by colourful drawings in the African style. We should never forget that science has proven, through DNA tests worldwide, that no matter who we are or where we live now, Africa was the home...
