

DNA EVIDENCE

Themes: Hi-Lo, nonfiction, contemporary themes. Bursting with facts, these books will truly enthrall struggling readers. Nonfiction titles cover high-interest topics both creepy and utterly terrifying. Each title is thoroughly researched and includes an introduction, five chapters, an epilogue, glossary, and index. On-the-scene photography captures students' imagination and spurs further reading. These are...

Reader's Opinions

This book tells you about how and what exactly they use to DNA to solve cases or unsolved ones. I really liked this book because it gives examples and it has lots of details of what kind or cases they solved like kidnap homicide and other kinds. I recommend this book to people who wonder how police do it to find a killer really fast...

Information about DNA and how it has been used both to commit and exonerate suspects of a crime. Not as much info about DNA itself as I had expected. I thought the focus was more on the stigma attached to people that had been innocently imprisoned and the challenges they face when released from prison. I did not realize they did not...
