

BENEATH THE SHATTERED MOONS

Alternate title "And Strange at Ecbatan the Trees" In the future, on the island of Ongladred, mankind has survived two enigmatic, civilization-destroying setbacks. Now a third holocaust is anticipated. The people fear destruction from invading barbarians, the reappearance of a semi-mythical sea creature, and the devious intervention of the neo-human Parfects. This imminent disaster is very much the concern of...

Reader's Opinions

Very original SF story. Bishop is able to create complex characters and a complete world in a very short amount of time. Set in the distant future, it's basically a story about the role of the artist in a society. Highly recommended.

I found this in my pile of unread books and it seems I will be the first one on goodreads to read this one ... or more likely the first one to bother adding it. It's from 1976 and claims to...
