Peek Inside the Book

If you don't hurry up and let life know what you want, life will damned soon show you what you'll get.
Robertson Davies, Fifth Business //

Why do people all over the world, and at all times, want marvels that defy all verifiable facts? And are the marvels brought into being by their desire or is their desire...

Reader's Opinions

Because I loved, loved this book, I feel I must steal some precious seconds to write about it, before my memory of fades too much. Not that it could ever escape completely, because (as I said) I loved this book. I didn't know much about Davies, only that he was a famous Canadian author, and I bought this book used thinking that...

There's something distinctly lacking in a lot of modern literature that this somewhat more antiquated piece of literature has in spades: enthusiasm. In fact, not since the better prose of Saul Bellow have I experienced a literature so determinedly skillful and driven to a single point, that point being adventurous literary exploration...
