

THE MEMORY TREE

A heartbreaking story of love and evil. Sam Ellis is a middle-aged stock broker living in Seattle, successful, married to a woman he dearly loves, with everything he could want. But below the surface, there are scars. Then his world changes. For reasons he doesn't understand, Sam is thrust back...

Reader's Opinions

Absolutely beautiful. This book was so filled with poignant emotion, in all forms. It touched on some truly sensitive issues, and made me feel so deeply for the characters that it is hard to believe this was a fictional book. I can not recommend this book enough--it is truly sensational on so many levels.
