## Peek Inside the Book

What is the true cost of a man's mistakes? Jonathan Hickman, Fantastic Four, Volume 2 //

## Reader's Opinions

Definitely a middle volume. Set up alot of cool ideas with no payoff in this volume. Still enjoying the heck out of it though.

3.5 maybe? I did like this alot. Really excellent writing supported by really good solid illustration. Shows the FF as Science adventurers as they originally were intended by Kirby (and Lee.)
