

EQUUS

When a deranged boy, Alan Strang, blinds six horses with a metal spike he is sentenced to psychiatric treatment. Dr. Dysart is the man given the task of uncovering what happened the night Strang committed his crime, but in doing so will open up his own wounds. For Dysart struggles to define sanity, and justify his marriage, his career, and his life of normality; ultimately...

Peek Inside the Book

All reined up in old language and old assumptions, straining to jump clean-hoofed on to a whole new track of being I only suspect is there. I can't see it, because my educated, average head is being held at the wrong angle. I can't jump because the bit forbids it, and my own basic force - my horsepower, if you like - is too little. Peter Shaffer, Equus //

What the eye does not see, the heart does not grieve over, does it? Peter Shaffer, Equus //

Reader's Opinions

Is it even possible to discuss Equus anymore without considering Harry Potter's wang? Were there conversations that existed about this strange, psychological, pre Law and Order play that didn't include a nude Daniel Radcliffe and horses? I never even saw the play but it was impossible to walk down a city block on the west side of Manhattan...

Equus turned out so much deeper than expected. Actually reading the play and finding out exactly what it's about, cleared away my initial thought that this book is all about sex and horses. It's not. It's about freedom, and passion, and how they tie into (Or rather, are broken down by) modern society.
