Peek Inside the Book

We live individual lives with the consciousness of death and awareness of the past. But the most important part of that sentence is the individual part. Let yourself be humbled by the experiences people have been having for thousands of years. And speak of it. Michael Winter, Minister Without Portfolio //

Reader's Opinions

I won this book and as such, I feel obligated to review it. I need to first clarify that as I am not Canadian and incredibly unfamiliar with Canadian military and Newfoundland, I'm sure there were many things I simply culturally couldn't grasp or picture in my mind. However, I think I could have overcome all of that, if the author could...

Every once in a while there is a book whose story deals with a place just outside of the periphery of the reader's vision. The narrative is so engrossing that one gets wrapped up in the story because the character is so much like us and maybe we can learn something from that person's actions. All other items in our lives...
