

BUGS: A STUNNING POP-UP LOOK AT INSECTS, SPIDERS, AND OTHER CREEPY-CRAWLIES

A fascinating pop-up journey into the hidden world of insects, spiders, and other creepy-crawlies. Larger-than-life bugs spring from the pages, peek out from behind flaps, and hide under tabs, inviting young entomologists to marvel at the mind-boggling variety of arthropod life. What reader can resist a chance to look inside a cockroach's body to see how it works...

Reader's Opinions

Although packed with information and wonderful illustrations, libraries may find the pop up feature a little fragile for circulation. A perfect gift for the budding entomologist.
