

THE CANADIAN ROCKIES

Currently available in English, Korean and Chinese, with additional languages planned for future publication, The Canadian Rockies: A Complete Photographic Portrait is a beautiful photographic collection of all the most significant and most-visited mountain landmarks- from Waterton Lakes to Kananaskis, from Banff to Lake Louise, and from Athabasca Glacier to Jasper. Each magnificent scenic view is paired with a photo of a wild flower or a wild animal, making this book a compelling portrait of the many faces of this remarkable landscape.
