## Reader's Opinions

This book is a great kickstarter.com resource & has lots of helpful tips & tricks to funding a successful campaign. It even got my brain working on ideas for kickstarter campaigns I might not have thought of otherwise. :)

The Kickstarter Handbook is a great beginner's guide to Kickstarter. I think it provided an excellent foundation for getting your project on the site; I wish I had something in the works so I could practice what I've read. Loved the examples provided in the book, which was quite a pleasant and interesting read, not some dull guide that...
