

EATING ANIMALS

Jonathan Safran Foer spent much of his teenage and college years oscillating between omnivore and vegetarian. But on the brink of fatherhood-facing the prospect of having to make dietary choices on a child's behalf-his casual questioning took on an urgency. His quest for answers ultimately required him to visit factory farms in the middle of the night, dissect...

Reader's Opinions

This was a difficult but amazing read and in my opinion one of the most powerful books on this topic. I encourage and challenge you all to read it! Seriously if I could give everyone I know a copy of this book, I would.

Edit 04/15/13"About thirty years ago the poultry industry convinced the USDA to reclassify feces so that it could continue to use automatic eviscerators (where fecal contamination occurs from high-speed machines ripping open the birds' intestines, releasing feces into their body cavities). Feces are now classified as a "cosmetic blemish."...
