

DIVORCED, DESPERATE AND DATING

"Christie Craig is a must-read." -- New York Times Bestselling author Nina Bangs
Sue Finley murdered people...on paper. As a mystery writer, she knew all the angles, who did what and why. The only thing she couldn't explain was...well, men. Dating was like diving into a box of chocolates: sometimes...

Peek Inside the Book

The two glasses of red wine Sue consumed while Jason printed her book had left her with the energy of a slug on muscle relaxers. She might have even gone for a third glass but realized she was using her mothers Merlot-can-save-the-world theory. Which wasnt going to work, because shed been drinking Cabernet. Reader's Opinions

Fun read even though it's a romantic suspense involving murder and stalking. I loved the first book in the series for its laugh-out-loud humor, and I loved--loved!--the third book in...
