

GREEN ARROW, VOL. 1: HUNTERS MOON

In these cult favorite stories from the 1980s, Green Arrow hunts down a child killer, races to find a lost biological weapon before Chinese spies can find it, and tackles a rash of violence against gays. These stories, written by Mike Grell, repositioned Green Arrow as an inner city crusader for justice who deals not only with super-villains but also with street level crime. Reader's Opinions

I totally screwed up. Thought i was buying "Longbow Hunters" & Mike Grell ART. Oooops. My mistake. Anyway, a mildly pleasant diversion on a Sunday afternoon. The TPB features Art that is competent, workman-like , in that 1980s super crisp, super-clean finely detailed line style, no mistakes, which makes it at times very pedestrian,...

It's great to see Green Arrow live in a real city (Seattle) and deal with real-world issues. Great writing by Mike Grell, who tackles topics that are just as relevant today as they were in the eighties, and this has helped the book remain timeless, in a way. This collection had three...
