Reader's Opinions

I will be in eternal pain over this. It's not even fiished yet and I can say it's one of my absolute favourites. If I die before the author updates it, revive my dead, rotting corpse with whatever means necessary.

This was my third reread. I read it again after reading the fanfiction known as Cursed Child. This is always so much better. Glad it has a home on GoodReads with like 188 reviews to boot. Best Harry Potter characterizations short of Rowling's own pen.
